

Dear Community Organization,

The purpose of this letter is to inform organizations within our community of legislation receiving funding/support from our Township. (Please see the Request for Contributions/Donation Policy). If your organization is requesting funding/support from Lutsen Township, please fill out the forms and mail/email them to the clerk's office by February 1. Any requests received after February 1 will be considered on a case by case basis if it is determined that the organization's circumstances are reasonable in their inability to meet the deadline. The Board of Supervisors will review the requests at their monthly Town Board meeting and present them to the resident's at the Annual Meeting each year. The State places many restrictions on townships, so the Board must review all requests prior to presenting them to the residents.

Please Mail requests to: Lutsen Township, P.O. Box 151 Lutsen, MN 55612

or Email requests to: lutsentownship@gmail.com

If your organization type is in the following table, a Request Form needs to be completed with your request letter and other pertinent documentation. In addition, if your organization is a non-profit providing social, recreational, or health services (MN statute 365.10, subd.14) you are required to fill out and sign the Nonprofit Contract and send the contract and applicable proof of insurance with your request. If your organization type is not in the following table, the township may not be able to fund/support your organization. Minnesota Statutes will need to be researched further.

Information about each of these statutes can be found @ www.leg.state.mn.us
